**WEAPONS OF CHOICE**

<p>"The Pureology Shine Glossing Mist is the perfect finale for adding a glass-like shine to any style." Wendy Bélanger, international artistic director, Pureology</p>	<p>"For silky, shiny and hydrated locks that stay straight all day, I bring out the Alkove big guns and combine the Smoothing Lotion, the Leave-in Treatment and the Serum. I mix the three products in the palm of my hand and apply to damp hair, from root to tip, before styling. Frizz-free straightness guaranteed!" Stéphane Gagnon, artistic director for Oligo Professionnel and master hairstylist, Salon Odyssée Le Loft, Montreal</p>	<p>"LP Texture Expert Perfect Shimmer is the best shine product I've used. Right away you get instant shine. A lot of sprays add a greasy texture to the hair, but this one keeps it soft." Matthew Collins, L'Oréal Professionnel artist and senior stylist, Brennan Demelo Studio, Toronto</p>
